

2026 Winter Dinner and DONATIONS!!!

We had another successful Winter Dinner on Friday night. We had 21 folks in attendance and, although it was a little cool in our room, the warmth of the fellowship kept everyone smiling.

For some of us, City BBQ isn't our favorite, but for others, it is our go to place to eat out! For example, here's Mo digging into his meal with enthusiasm while Tom looks quite content with what he's enjoyed.

It was a joy to see both Tom Zawodney and Keith Everly with their better halves. Both of these gentlemen have been courageously battling very serious illnesses and are on their way to recovery. Coming out on such a cold night shows their dedication to Miami R/C and what it stands for. They are testimony why Miami R/C remains a vibrant, dynamic club.

Also, we were honored by the presence of Pam Klingler, wife of the late Mark Klingler who was a previous president of MRC and instrumental in laying the groundwork for what Miami R/C is today. Thank you, Pam, for carrying on Mark's legacy and continuing to support his club!

All in all, it was a very good evening. People began leaving around 8:30, although there were still a few left even after that. Although everyone left glad that they had come, City BBQ probably won't be on our list for future Winter Dinners. So, be thinking where you'd like to go next year!

And speaking of next year, our upcoming season looks like it will be an historic one!

Just on Friday, I received \$380 in new donations plus \$350 in pledged donations. PLUS, 50 pounds of grass seed has been donated! This will be used after everything else is done just to put the icing on the cake. Ask Tom Bean about

it. He knows grass! (the kind you plant, not the other stuff...) We will certainly have the resources to make our grass runway the envy of the region. THANK YOU to everyone who has donated!!!

Miami R/C is a model of what a club is supposed to be as proved by folks coming to Winter Dinner, for donating, for renewing their membership, for coming up with a plan to rejuvenate the runway, for taking care of maintenance behind the scenes, for coming out to fly and encouraging other members. Really, it just doesn't get any better than this. Truly, Miami R/C is a blessed club!

All the best,

Bruce
